Armed Forces Pensioners'/Annuitants' Association of Canada
Association canadienne des pensionnés et rentiers militaires

The Armed Forces Pensioners'/Annuitants' Association of Canada (AFP/AAC) was formed to promote and protect the rights and interests of Canadian Armed Forces (CAF) retirees and their survivors. We invite CAF retirees to join our Association as we are the only such organization in Canada dedicated to protecting the rights of our retired military personnel.

The AFP/AAC is a non-profit, non-partisan corporation affiliated with the National Council of Veteran Associations in Canada (NCVA) and the Common Front for Retirement Security (CFRS). The Council promotes military veterans' rights and benefits, and comprises more than 50 veteran and regimental organizations. The Common Front seeks to improve the financial welfare of all retired Canadians by advocating for better governance of pensions, investments and retirement savings. AFP/AAC directors and officers are volunteers who receive no compensation for their efforts. We need your support.
